FEATURES & BENEFITS

- Robust large diameter frame with built-in Engine / Alternator protection plate to aid use on soft ground.
- Professional Honda engine with recoil start.
- Low engine oil cut-off.
- High quality, heavy-duty NSM Alternator.
- **'Patent Pending'** stackable frame with single point lifting to reduce environmental impact and minimize manual handling risk. Complete with securing pin for added safety.
- Engine / Alternator side impact protection.
- Durable screw-in sockets.
- Metal covered fuse box.
- Over-sized 4-point Anti-Vibration mounts.
- Rental-proof, robust, steel electrical enclosure.
- Selectable 110v or 230v.
- System breakers for 110v & 230v supplies.
- Accessible service points.
- Specifically designed for hire and rental markets.
- Customer colour options available.
